

Make No Mistake About It

I'm going to beg like I haven't eaten in ages. If you leave food, chocolate or sweets laying around or within my reach, I'm going to eat it and get very sick. If you leave the door or gate open, I am going to take that as an opportunity to let myself out for a stroll around the neighborhood, spring break style (no leash or collar!).

So this Easter, please, don't tempt me:

- + PLEASE DON'T GIVE ME FOOD OR SWEETS
- + PLEASE KEEP CHOCOLATE, EASTER BASKETS, AND EASTER GRASS OUT OF MY REACH
- + PLEASE CLOSE ALL THE DOORS AND GATES BEHIND YOU

Thank you!

*Please Remember to
Shut the Door or Gate
Behind You*

If you leave the door or gate open,
I am going to take that as an opportunity
to let myself out for a stroll around
the neighborhood, spring break style
(no leash or collar!)

Happy Easter, from your friends at Denise Mange Dog Training
